“I have been impressed by her fairness, her willingness to bring all parties together for a resolution, and her commitment.... She will make an excellent representative.”

—Garret Hardman, Owner, Doc's Trucking

This is a time for real leadership, a time to work together to solve real problems. I am that kind of leader. ★ I've spent six years as a Eureka Township Supervisor; three of them as chair. ★ I've been a member of the Dakota County Planning Commission for nine years. ★ I know how important it is for us to balance the small-town values we cherish with the need for economic development.

“A candidate who will stand up for the interests of working families”—Minnesota AFL-CIO

I was born and raised in Dakota County. My husband and I have raised three children who attended Lakeville Public Schools. ★ I've worked in industry, been a manager in the nonprofit sector, a teacher, and public servant for the last decade. I'm proud of my ability to bring all the parties to the table to come up with real solutions to our serious issues.

“[A] proven track record in environmental issues”—Sierra Club
